Tilman is a 16 year old boy from Wurzburg, Germany. He enjoys spending time with friends, exploring the beautiful city he lives in. His favorite season is winter. He loves to ski, sled and ice skate. He enjoys baking, cooking and trying new recipes. He also enjoys playing volleyball and participating in drama club. Tilman has a passion for music, which inspires him. He also enjoys dancing as a way to stay active. On a typical weekend Tilman will sleep in, do homework and housework with his parents and brothers. They will typically do some gardening, eat together and watch movies or shows. Some of his favorites include Shield, Breaking Bad, Young Sheldon and Wednesday.

His teachers describe Tilman as a very polite student. He treats others with respect and contributes to lessons and activities constructively. Tilman is generally quiet among his peers, but always manages to do his fair share of the work.

Tilman wants to be an exchange student to learn about the US culture, be more confident and become more self aware. He hopes to build a strong relationship with his host family, spending time with them and laughing with them. He is looking forward to sharing what a "typical German teenager" is like and all about Germany. Tilman wants to make a good impression and hopes that his host family and new friends will enjoy spending time with him.
