| 8                         |        |
| 9                         |        |
| 10                        |        |
| 11                        |        |
| 12                        |        |
| 13                        |        |
| 14                        |        |
| 15                        |        |

| <b>PART 2 - GRAMMAR</b> |        |
|-------------------------|--------|
| Question                | Answer |
| 16                      |        |
| 17                      |        |
| 18                      |        |
| 19                      |        |
| 20                      |        |
| 21                      |        |
| 22                      |        |
| 23                      |        |
| 24                      |        |
| 25                      |        |
| 26                      |        |
| 27                      |        |
| 28                      |        |
| 29                      |        |
| 30                      |        |
| 31                      |        |
| 32                      |        |
| 33                      |        |

| <b>PART 3 - VOCABULARY</b> |        |
|----------------------------|--------|
| Question                   | Answer |
| 34                         |        |
| 35                         |        |
| 36                         |        |
| 37                         |        |
| 38                         |        |
| 39                         |        |
| 40                         |        |
| 41                         |        |
| 42                         |        |
| 43                         |        |
| 44                         |        |
| 45                         |        |
| 46                         |        |
| 47                         |        |
| 48                         |        |

| <b>PART 4 - READING</b> |        |
|-------------------------|--------|
| Question                | Answer |
| 49                      |        |
| 50                      |        |
| 51                      |        |
| 52                      |        |
| 53                      |        |
| 54                      |        |
| 55                      |        |
| 56                      |        |
| 57                      |        |
| 58                      |        |
| 59                      |        |
| 60                      |        |

## **PART 5 - WRITING**

The responses to Writing Part A and Part B should be written on the back of this answer sheet.

Return completed answer sheet to the Program Chair in Rochester, who will grade the test.

## **SCORE**

Parts 1-4 Total Correct \_\_\_\_\_ + Part 5 Writing Score: Part A \_\_\_\_\_ Part B \_\_\_\_\_ = Total Score \_\_\_\_\_
