Dear International Student and Host Family,

You will be receiving notification of two important meetings: the Pre-Arrival Orientation (for Host Families prior to IS arrival), and the Post-Arrival Orientation (for Host Families and students after IS arrival). These orientations are required by ATAD and the US Department of State for our International Students and Host Families. We strongly encourage as many of your family members as possible to attend these sessions, as it affords all of you the opportunity to ask questions, learn more about the ATAD program, and share helpful information and tips about hosting, which should make the experience easier and more enjoyable for all.

We encourage you to write to each other as soon as possible!

Sincerely yours,

Please send a copy of the completed and signed form, prior to the International Student's arrival, to:

Host Family

Vice-President for Host Families

Program Chair (3 copies - Program Chair will then send one copy to the International Student in his/her home country, and one copy to the Program Liaison in the Partner City)

US Department of State Responsible Officer

ATAD Treasurer

School Liaison
